“GREAT PEOPLE; GREAT STORIES” ORAL HISTORY PILOT PROJECT

NOMINATION FORM

Do you know someone in your neighborhood who is a “living treasure” of the East Mountains? Do you have a family member, friend or neighbor who has interesting tales to tell of his or her life in New Mexico? Do you want to preserve these memories to share with future generations? If the answer is “yes”

The East Mountain Historical Society and the East Mountain Coalition of Neighborhood Associations have joined together in a project funded by the Bernalillo County Neighborhood Association Outreach Grant Program to honor the “Great People; Great Stories” of the East Mountain area. During the next 12 months, trained volunteer interviewers would like to talk to your nominee. We want to record their memories, family stories, and local history. We will invite your nominees to talk with us; then we will archive oral histories. We want to record as many oral histories as possible in the coming year and honor those interviewed as part of a community-wide Centennial Celebration of New Mexico’s statehood in 2012.
